

# Lady Stardust

## David Bowie

People stared at the makeup on his face  
Laughed at his long black hair, his animal grace  
The boy in the bright blue jeans  
Jumped up on the stage  
And lady stardust sang his songs  
Of darkness and disgrace And he was alright, the band was all together  
Yes he was alright, the song went on forever  
He was awful nice  
Really quite out of sight, he sang all night long Femme fatals emerged from shadows  
To watch this creature fair  
Boys stood upon their chairs  
To make their point of view  
I smiled sadly for a love I could not obey  
Lady stardust sang his songs  
Of darkness and dismay And he was alright, the band was all together  
Yes he was alright, the song went on forever  
And he was awful nice  
Really quite out of sight and he sang all night, all night long Ooh how I sighed when they asked if I knew his  
name Though he was alright, the song went on forever  
Yes he was alright a song went on together  
Yes he sang awful nice  
Really quite paradise, he sang all night, all night long  
Long song
