

# Back In 79

## Saxon

It was back in 79\*  
When we rode the mighty tide  
It swept across the world  
We came together  
We never stood alone  
Wherever we did roam  
This legacy of rock  
Would last forever, yeah  
[Chorus:]  
Show me your hands  
Show me your hands  
Raise up your hands  
Deliver me  
Defenders of the faith  
To you this vow we make  
When our backs against the wall  
Well not surrender  
You may be young or old  
Theres no difference at all  
Just raise your glasses high  
And sing our song  
[chorus]  
[chorus]  
It was back in 79  
When we rode the mighty tide  
The music will go on  
And never die  
[chorus]  
[chorus]
