Fall in Me

The Dandies

The Dandies - Fall in Me

You see what I do
But you don't really see
You hear what i say
But you dont understand

You fall among the rocks
You fall among the weeds
Now fall in me

Now fall in me x3

If you have enough
I'm gonna give you more
From you who don't have
I'm gonna take it all

You fall along the path
You fall among the Thorns

Now fall in me

I am, I am above the Law
Now fall in me

You fall among the rocks
Now fall in me
You fall among the weeds
Now fall in me

I am above is the love
