

# Chelsea

## The Summer Set

Let's take this back two thousand five  
Drinks are pouring, girls so fine  
So many dimes, got dollars signs  
And there she goes right on the spot  
Got a taste so sweet I swear this beat  
Will make you wanna drop  
She wears a new dress everyday  
No, she won't stop making the crowd scream  
I can't hear anything, but hey, hey  
It's Miss L.A. again, again  
Chelsea, Chelsea, tell me you love me  
Chelsea, Chelsea, are you feeling me now?  
Chelsea, Chelsea, I think it's 'bout time  
We get down, get down, I want more  
I wrote her a song  
Not Delilah, not Kelsey  
Had 'em both in my palm  
But I dropped them for Chelsea  
Hey, hey, what'd you say  
You've been looking good today  
Let's go around town  
I'll tell the girls that I'm taken  
Chelsea, Chelsea, tell me you love me  
Chelsea, Chelsea, are you feeling me now?  
Chelsea, Chelsea, I think it's 'bout time  
  
We get down, get down  
There ain't no stopping us now  
Get down, get down, I want more  
And if it's worth your time, I've got ten digits  
I'd like you to find  
But no, I won't get that call  
You've got so much to give  
I've got nothing at all  
Chelsea, Chelsea, tell me you love me  
Chelsea, Chelsea, are you feeling me now?  
Chelsea, Chelsea, I think it's 'bout time  
We get down, get down  
There ain't no stopping us now

Get down, get down, I want more  
Chelsea, Chelsea, tell me you love me  
Chelsea, Chelsea, are you feeling me now?  
Chelsea, Chelsea, I think it's 'bout time  
We get down, get down  
There ain't no stopping us now  
Chelsea, Chelsea, tell me you love me  
Chelsea, Chelsea, are you feeling me now?  
Chelsea, Chelsea, I think it's 'bout time  
We get down, get down  
There ain't no stopping us now  
Get down, get down, I want more
