

Fire Burning (Album Version)

Sean Kingston

Somebody call 911!
Shawty fire burning on the dance floor
Whoa!
(Fire burning, fire burning) What a gwaan! Kingston
Let's go (hey, hey, hey)
Red One (hey, hey)
Shawty got that super thing
Hotter than the sun of south in Spain
Got me soon as I walked through the door, oh!
My pocket started tickling
The way she dropped it low that thang
Got me wanna spend my money on her, her She get it pop it, lock it, drop it,
That birthday cake,
Got a candle, need to blow that crazy flame away
Now take my red, black car and my jewelery
Shawty is cool like the fire, cool like fire Somebody call 911!
Shawty fire burning on the dance floor
Whoa!
I gotta cool her down
She won't bring the roof to the ground on the dance floor
Whoa!
She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor
She's fire burning, fire burning on the dance floor
That little shawty's fire burning on the dance floor
(Fire burning, fire burning) That body is a masterpiece
The order is one in every hundred years
But ain't no doubt I'm taking it home, oh!
I'm afraid we'll blow them legs
Little mama game is about to change
She'll be on covers over the world, world She get it pop it, lock it, drop it,
