# In My Heart

## Bro. 2nd Timothy 3:16

I don't think it's gonna be a change
I'm never ever gonna leave it
But I hope it's gonna get better
In my heart, in my heart
I hope things gonna get better
'Cause that's what I need
I think about the good times that we had
And now I see that you are living in two different places
And I don't think it's gonna be a change
But I'm never gonna leave it
I'm always gonna keep it in my heart
In my heart, I keep it all together
In my heart, I know it's gonna get better
In my heart, in my heart
In my heart, I keep it there forever
You said that it should never be like this
And when I was a little child
I never had this on my mind
But now it is like it is
I don't think it's gonna be a change, no, no, no
I'm never gonna leave it
I'm always gonna keep it in my heart
In my heart, I keep it all together
In my heart, I know it's gonna get better
In my heart, in my heart
In my heart, I keep it there forever
In my heart, I keep it all together
In my heart, I know it's gonna get better
In my heart, in my heart
In my heart, I keep it there forever and ever
