

# Scandalous

## Prince

Come. Closer.  
Feel what you've been dyin' for  
Don't be afraid, baby  
Touch it and explode  
Understand, understand that I love you  
But more than that, I want you  
Everybody always told me  
"Good things come to those who wait"  
But I've got so much on the menu  
I just can't wait, I just can't, I can't wait baby  
I can't wait baby  
I can wrap my legs around you girl  
Cause sugar, you know you're just the kind of lover  
That I've been looking for  
Tonight why don't we skip all the for play, mamma  
And just get down here on the floor  
Scandalous  
I'm talkin' about you and me  
Marvelous, baby, baby, can't you see  
Anything you've ever dreamed of  
I'm willing to be  
Tonight it's gonna be scandalous  
Cause to night I'm gonna be your fantasy  
My dearest, my dearest (Whisper) Whisper a question  
With my body (body) I'll scream a reply  
Anything's acceptable  
Just ask me and I'll try it  
To hell with hesitation  
To hell with the reasons why  
Scandalous  
I'm talkin' about you and me  
Marvelous, baby, baby, can't you see  
Anything you've ever dreamed of  
I'm willing to be  
Tonight it's gonna be scandalous  
Cause to night I'm gonna be your fantasy  
Baby, baby, baby Oh girl, the things you make me do!  
Genius is the only way to describe you  
Anything you've ever dreamed of baby  
Just ask me, I'll do, I'll do,  
I'll do it for you baby  
Anything at all  
Spirits rise and spirits fall  
Anything you ever dreamed off, I'm willing to be

To night is gonna be scandalous  
Cause to night I'm, to night I'm gonna be your fantasy! Scandalous  
I'm talkin' about you and me  
Marvelous, baby, baby, can't you see  
Anything you've ever dreamed of  
I'm willing to be  
Tonight it's gonna be scandalous  
Cause tonight I'm gonna be your fantasy Scandalous, marvelous
