90s By Nature (feat. MC Ambush)

Showtek

Advisory - the following lyrics contain explicit language:

Keep on talkingÂ
Let me hear your voice
Keep on walking
Gotta make choice
So let the music keep on doing what it's doing
I got everything right here so keep it moving
Everybody dance now, everybody dance nowÂ
Everybody dance now, everybody dance nowÂ
Everybody danceMusic makes me loose my mindÂ
Every freaking day
Every freaking nightWe don't give fuck about it
Only got one life to live
Loving this feeling this
Every freaking day, every freaking nightÂ
Every freaking day, every freaking nightÂ
Every freaking day, every freaking nightÂ So everybody dance now
Everybody dance now, everybody dance now
Everybody dance now
So let the music keep on doing what it's doing
I got everything right here so keep it moving
Everybody dance
