

You (Club Mix)

Special D.

I used to feel blue
My hopes became true
How long have I searched for someone like you No minute goes by
Just an ocean of you
I still get down
And that's really true I used to feel blue
My hopes became true
How long have I searched for someone like you No minute goes by
Just an ocean of you
I still get down
And that's really true I used to feel blue
My hopes became true
How long have I searched for you
For someone like you Yeah
How long have I searched for someone like you
How long have I searched for you
For someone like you I used to feel blue
My hopes became true
How long have I searched for someone like you No minute goes by
Just an ocean of you
I still get down
And that's really true I used to feel blue
My hopes became true
How long have I searched for someone like you No minute goes by
Just an ocean of you
I still get down
And that's really true Yeah
How long have I searched for you
For someone like you
