

I Can't Hold Out

Fleetwood Mac

I just talked to my baby, on the telephone
She said, "Stop what you're doing and come on home
I can't hold out, I can't hold out too long
I get a real good feeling, talking to you on the phone" She said, "Baby you know I love you and you're my desire
You know I love you baby, I had to see you cry
I can't hold out, I can't hold out too long
I get a real good feeling, talking to you on the phone, oh yeah" She said, "Baby you can run, walk or fly
You know I love you baby and you're my own desire
I can't hold out, I can't hold out too long
I get a real good feeling, talking to you on the phone" Oh yeah, talk to me baby, talk to me baby
Talk to me baby, talk to me baby
I get a real good feeling, talking to you on the phone
