

# Hell Awaits

## Slayer

Existing on damnations edge the priest had never known  
To witness such a violent show of power overthrown  
Angels fighting aimlessly still dying by the sword  
Our legions killing all in sight to get the one called Lord  
The gates of hell lie waiting as you see  
There's no price to pay just follow me  
I can take your lost soul from the grave  
Jesus knows your soul can not be saved  
Crucify the so called Lord, He soon shall fall to me  
Your souls are damned your God has fell  
To slave for me eternally  
Hell awaits  
The reaper guards the darkened gates that Satan calls his home  
Demons feed the furnace where the dead are free to roam  
Lonely children of the night there's seven ways to go  
Each leading to the burning hole the Lucifer controls  
Priests of hades seek the sacred star  
Satan sees the answer lies not far  
Zombies screaming souls cry out to you  
Satanic laws prevail your life is through  
Pray to the moon when it is round  
Death with you shall then abound  
What you seek for can't be found  
In sea or sky or underground  
Now I have you deep inside my everlasting grasp  
The seven bloody gates of hell is where you'll live your last  
Warriors from hells domain will bring you to your death  
The flames of hades burning strong your soul shall never rest  
The gates of hell lie waiting as you see  
There's no price to pay just follow me  
I can take your lost soul from the grave  
Jesus knows your soul can not be saved  
Sacrifice the lives of all I know they soon shall die  
Their souls are damned to rot in hell  
And keep the fire growing deep inside  
Hell awaits
