Moonlight Shadow

Missing Heart

Moonlight, moonlight, moonlight
Moonlight, moonlight, moonlight
Moonlight shadowThe last that ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadowLost in a riddle that Saturday night
Far away on the other side
He was caught in the middle of a desperate fight
And she couldn't find how to push throughThe trees that whisper in the evening
Carried away by a moonlight shadow
Sing a song of sorrow and grieving
Carried away by a moonlight shadowAll she saw was the silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push throughI stay, I pray
See you in heaven, far away
I stay, I pray
See you in heaven, one dayFour A.M. in the morning
Carried away by a moonlight shadow
I watched your vision falling
Carried away by a moonlight shadowA star moved slowly in the silvery night
Far away on the other side
Will you come to talk to me this night
But she couldn't find how to push throughI stay, I pray
See you in heaven, far away
I stay, I pray
See you in heaven, one dayMoonlight, moonlight, moonlight
Moonlight, moonlight, moonlight
Moonlight shadow
Moonlight, moonlight, moonlight
Moonlight, moonlight
Moonlight shadowCaught in the middle of a hundred and five
The night was heavy and the air was alive
But she couldn't find how to push throughCarried away by a moonlight shadow
Carried away by a moonlight shadow
