

# Moonlight Shadow

## Missing Heart

Moonlight, moonlight, moonlight  
Moonlight, moonlight, moonlight  
Moonlight shadowThe last that ever she saw him  
Carried away by a moonlight shadow  
He passed on worried and warning  
Carried away by a moonlight shadowLost in a riddle that Saturday night  
Far away on the other side  
He was caught in the middle of a desperate fight  
And she couldn't find how to push throughThe trees that whisper in the evening  
Carried away by a moonlight shadow  
Sing a song of sorrow and grieving  
Carried away by a moonlight shadowAll she saw was the silhouette of a gun  
Far away on the other side  
He was shot six times by a man on the run  
And she couldn't find how to push throughI stay, I pray  
See you in heaven, far away  
I stay, I pray  
See you in heaven, one dayFour A.M. in the morning  
Carried away by a moonlight shadow  
I watched your vision falling  
Carried away by a moonlight shadowA star moved slowly in the silvery night  
Far away on the other side  
Will you come to talk to me this night  
But she couldn't find how to push throughI stay, I pray  
See you in heaven, far away  
I stay, I pray  
See you in heaven, one dayMoonlight, moonlight, moonlight  
Moonlight, moonlight, moonlight  
Moonlight shadow  
Moonlight, moonlight, moonlight  
Moonlight, moonlight  
Moonlight shadowCaught in the middle of a hundred and five  
The night was heavy and the air was alive  
But she couldn't find how to push throughCarried away by a moonlight shadow  
Carried away by a moonlight shadow
