Sunday Shining

Kapatid

Make itSun is shining
The weather is sweet yeah
Makes you wanna
Move your dancing feet
For the rescue
Here I am
I want you to know y'all
Here I standAs the morning gathers a rainbow
I want you to know y'all
That I'm a rainbow with you'Cause I'm a hero
Like Robert de Niro
I know an Ital Rasta man
Got to keep I heights
Protection until' time
The sun is shining yeahWar is explosive
You got to demonstrate
Demonstrate, you got to demonstrate
Don't fight
'Cause the sun is shining for you
There's nothing else to doSun is shining
The weather is sweet yeah
Makes you wanna
Move your dancing feet
To the rescue
Here I am
I want you to know y'all
Here I standAs the morning gathers a rainbow
I want you to know y'all
That I'm a rainbow with youWoh woh woh yeah
Test the eye
Test the eye
Fear no evil
Channel like a lion
Channel like a lionSome say, yeah
Money in my
One on one
Money in my pocket
But I just can't get your loveSome say, yeah
And the sun is shinin'

Don't fight and you got soul
And you're choppin' it up aero for you
There's nothin' else to doSun is shinin'
The weather is sweet
Makes you wanna move
Those dancing feet
To the rescue
Here I am
I want you to know nowl
Here I standAs the morning gathers a rainbow
I want you to know now
That I'm a rainbow with youAs the morning gathers a rainbow
I'm rougher than rough
'Cause I'm a rainbow with youTougher than tough
Channel like a lion, yeah
This is some fashion, yeah
Spiritual fashion, yeah
Woh woh woh yeah
Woh woh woh yeah yeah
