This Way

Jets Overhead

On the other side of this day
Take the darkest line
To the brightest place
To the brightest place
To the brightest place

Where no reason waits to stop us
We can have it all
Take my hand and trust
Take my hand and trust
Take my hand and trust

This way
This way you can't go back again
The streets will never be the same
Back from where you came

It's a great escape, we'll lay low
Make you feel safe
No one's gonna know
No one's gonna know
No one's gonna know

This way
This way come on we'll get away
You can't go back
Never the same
Back from where you came

This is my world, my world, my world
