

Addicted to Murder

Corpsefucking Art

[Lyrics & Music - Andrea Cipolla] At 6:47 p.m. there's the new episode of Addicted To Murder

Brains fly

Skating on red globules

It's a good telefilm They say Tv is reality

If TV says It then it's true

I'll become a serial killer I switch on the Tv

But I don't see a thing

A would-be serial killer
