

# Lostmyhead

## The 1975

And you said I've lost my head  
Can you see it? Can you see it?  
Belly aches while you're in bed  
Can you feel it? Can you feel it? And you said I've lost my head  
Can you see it? Can you see it?  
Belly aches while you're in bed  
Can you feel it? Can you feel it?
