

# Companions

è¾»æ·äç”±ä½³

Insipid wait and so we play  
Companions  
No story games, could you behave?  
Companions  
Oh  
I hold you in, you're holding out  
  
If I can wait, could you be mine?  
Companions  
Are we the same? could we behave?  
As companions  
Oh  
You hold me in, I'm holding out
