Hypocrites

Doomstone

Your messiah was never mine
Your messiah was never mine
Your messiah was never mineHypocritesWeeping rose of Jeremiah
Drops of blood drip off your petals
Representing all our tears
In a ring of burning metalHow you wanna be? What you gonna say it?
Doesn't bother me, who you gonna paySorcerers and sadists come
To define the what and why
People travel 'cross this earth
Over water, land, and skyHow you gonna be? What you gonna say it?
Doesn't bother me, who you gonna payPay the ferryman, pay the fucking driver
Pay the preachers and pay the fucking liars
Pay the bitches, they're charging [Incomprehensible], stand by
I'm not gonna pay, it's already mineHypocrites, I'm gonna do it blind
Hypocrites, I'm gonna do it blind
Hypocrites, I'm gonna do it blind
Hypocrites, your messiah was never mineWeeping rose of Jeremiah
Purity unlike no other
Offers hope to those who need it
Don't forget care to thy brotherHow you wanna be? What you gonna say it?
Doesn't bother me, who you gonna payLittle old lady at home
Writing out a check to send
It's all the money that she owns
She believes the world might endHow you wanna be? What you gonna say it?
Doesn't bother me, who you gonna payPay the ferryman, pay the fucking driver
Pay the preachers and pay the fucking liars
Pay the bitches they're charging [Incomprehensible], stand by
I'm not gonna pay, it's already mineHypocrites, I'm gonna do it blind
Hypocrites, I'm gonna do it blind
Hypocrites, I'm gonna do it blind
Hypocrites, your messiah was never mineHypocritesPay the ferryman, pay the fucking driver
Pay the preachers and pay the fucking liars
Pay the bitches, they're charging [Incomprehensible]
I'm not gonna pay, it's already mineHypocrites, I'm gonna do it blind
Hypocrites, I'm gonna do it blind
Hypocrites, I'm gonna do it blind
