

# Mother And Jack (Stereo)

[Robin Gibb](#)

La  
I got a letter in this town  
They're going to pull this old house down  
I got a letter in this town  
They're going to pull this sad house down  
Mother and Jack, they went to see the emperor  
Mother and Jack, they went to see the emperor  
They got no answer  
They got no answer  
Said he would think over his drink  
About this question on this house of yours  
Don't take our house away from us  
Don't take our house away from us  
He made Jack's poor hair turn grey  
He made Jack's poor hair turn grey  
I got a letter in this town  
They're going to pull this old house down  
I got a letter in this town  
They're going to see this sad house down  
Mother and Jack, they went to see the emperor  
Mother and Jack, they went to see the emperor  
They got no answer  
They got no answer  
Said he would think over his drink  
About this question on this house of yours  
Don't take our house away from us  
Don't take our house away from us  
Don't take our house away from us
