

# Red Mosquito

## Pearl Jam

Giant one, might he find  
Watched from the window, little red mosquito  
I was not allowed to leave the room  
I saw the sun go down and now it's comin' up  
Somewhere in the time between  
I was bitten must have been the Devil  
He was just payin' me a little visit  
Oh, reminding me of his presence  
Lettin' me know he's waiting  
Red man's your neighbor, call it behavior  
And while you're climbing up slippery hills  
Two steps ahead of you, punctures in your neck  
Hoverin' just above your bed  
Hoverin' just above your bed  
I was bitten must have been the Devil  
He was just payin' me a little visit  
Reminding me of his presence  
Lettin' me know he's waiting  
He's waitin', hopin', yeah  
If I had known then what I know now  
If I had known then what I know now  
If I had known then what I know now  
If I had known then what I know now
