Take Me To Another Town

Emma Bunton

I go to London
I go to Hollywood
There are too many people who would kill me if they could
I go to Shanghai
I go to Tokyo
There are so many people that I'll never get to know
Gotta take my bike to the train
Train to the bus
Bus to the beach and sail on
And then I'll surf to the shore
Walk to the car
Drive to what I can depend on
But I when I get to you
My life stops spinning around
You take me to another town
I go to Glasgow
I go to Amsterdam
There are too many people getting high because they can
I go to Cairo
I go to St. Tropez
There are so many people always getting in my way
Gotta take my bike to the train
Train to the bus
Bus to the beach and sail on

And then I'll surf to the shore
Walk to the plane
Fly to what I can depend on
But I when I get to you
Nothing gets me down
You take me to another town
I go to London
I go to Hollywood
There are too many people who would kiss me if they could
Gotta take my bike to the train
Train to the bus
Bus to the beach and sail on
And then I'll surf to the shore
Walk to the car

Drive to what I can depend on
When I get to you
What I've lost I've found
When I get to you
You take me to another town
I've been to London
I've been to Hollywood
You take me to another town
You take me to another town
