

Fazil's Friend

Millencolin

One day slackin' with no one doing nothing the best way that I can
searching through my records looking for that hero song
I take my slippers and put them on. In my bed I spend most of my time way too tired to write down a clean rhyme
I say that bed skating is cooler when the trucks are on
please tell me am I right or wrong? Fazil's friend is here to let you know what it's like when you want to be the
O.S
slackin' on the phone slackin' all alone I'll be nr. one, when I turn O.S. Hila zako hasara kwangu don't know
what it means but it's your job to find out
call me up when you got something bad to say and I will listen in my own way.
