Must Fight Current

Deerhoof

Don't marry me
(The pair of us)
Don't marry me, I'm just a dream, you see
(Didn't mean to hope for less)Don't marry me
(Unburied bests)
Don't marry me, I'm just a dream, you see
(In treasure chests)I'm gonna sue you, I'm gonna sue you
(But we can't, we won't)
I'm just a dream, you'll see
(Redress this merriness)Away, oh
(You never see)
Away, oh
(Members of the away team)
Away, oh
(But you hear them dream)Hello, hello, here we go
Hello, hello, here we goAll fall down now
(Snow magic, snow magic, snow magic, snow magic)
Spinning round
(Snow magic, snow magic, snow magic, snow magic)Stop and look
(Snow magic, snow magic, snow magic, snow magic)
Hit the ground
(Snow magic, snow magic)Everyone, everyone, sing
Everyone, everyone, sing
Everyone, everyone, singAway, oh
(Ba, ba, ba, ba, ba, ba, ba)
Away, oh, away, oh
(Ba, ba, ba, ba, ba, ba, ba)
Away, oh
