We Are Bastards

Skip the Use

we're not the men to follow
no, we got nowhere to go
you'll find us in the back row
we're gonna hurt your radio
i got my friends we're not right
so if you wanna waste time
you'll find us in the back row
last action zero
this song's got nothing to say
but i'll sing it anyway
more shit to top up your day
an album to plug away
we've been rocking for 15 years
we are an honest mistake
i make music with my friends
another shit song again
