

Something That You Said (Jeremy Wheatley Mix)

The Bangles

Everything in a moment starting where
Something you said is hanging in the air
Now I know my life is sweetening
Changing everythingSomething that you said
Turned me from the inside out
Running through my head
Something I have dreamed about
And I feel so real, and it feels so right
Something you saidShowing you every weakness and feeling strong for it
I used to run from real love, now I long for it
Now I know what I've been missing
Since I've been listeningSomething that you said
Turned me from the inside out
Lying in my bed
Whispering your name out loud
And I feel so real, and it feels so right
Something that you said
Got through to me tonightNever so far you can't call me back
I'm never more than a single kiss awayAnd I feel so real, and it feels so right
(Something you said)Something that you said
Turned me from the inside out
Running through my head
Something I had dreamed about
And I feel, and I feel so real, and it feels so rightSomething that you said
Turned me from the inside out
Lying in my bed
Whispering your name out loud
