

Whether They Like It Or Not

Disciple

Here we are, You know what we're about
You don't have much to figure out
Not of this world but it's where we dwell
And we don't want to see people go to hell
The time has come
Gotta get it right
He just might come tonight
He knows who we are
He's numbered our hair
And we act like we don't even care
Gotta lift Him up because He is God
And stop meandering with this rock faÃ§ade
I gotta love with all that I got
And we're gonna praise Him like it or not
I am, I am not
I'm not ashamed of the gospel of Jesus (2x)
I am not ashamed (2x)
Oh, come on
We're gonna preach it
Cause it's the power
For salvation
Whether they like it
Whether they like it
Gotta be bold and speak His name
For the love and not for the fame
He sees our life He's numbered our days
It won't be long before we're caught away
There's so many people that might die today
That you know that you had the chance to say
That Jesus loves them, He'll forgive them
And give them a life that they never had
I am, I am not
I'm not ashamed of the gospel of Jesus (2x)
I am not ashamed (2x)
Oh, come on
We're gonna preach it
Cause it's the power
For salvation

Whether they like it
Whether they like it or not (2x)
I'm not ashamed of the gospel
I am not ashamed (2x)
Oh, come on
We're gonna preach it
Cause it's the power
For salvation
Whether they like it
Whether they like it or not (2x)
This one goes out to all the ones that preach it
