

Love Like This

Faith Evans

I never knew there was a
Love like this before
Never had someone to show me a love
Love like this beforeNow that we have, come to be
A brand new light, I can see
Never thought you'd be
A special, part of me, no babyThe reasons are because of you
I can go on and make it through
I can't even take my mind off lovin' you
And I wanna sayI never knew there was a
Love like this before (A love like this before, no)
Never had someone to show me a love
Love like this beforeI know, you can't see
All the things you mean to me
I'm so amazed that you are mine
Yeah yeah, yeah yeahIf we can work together
Maybe this can last forever
This is somethin' that I wanna hold on to
So baby, try to understandBaby, try to understand
I'll be crazy if you leave
'Cause you compliment my styleAnd I like the way you walk
And the sexy things you talk
You don't know just what you do to me
You see I neverI never knew there was a
Love like this before (A love like this before, no)
Never had someone to show me a love (Ooh I never had a)
Love like this beforeI never knew there was a
Love like this before (Never knew, never knew)
Never had someone to show me a love
Love like this beforeBaby, try to understand
I'll be crazy if you leave
'Cause you compliment my styleAnd I like the way you walk
And the sexy things you talk
You don't know just what you do to me
You see I neverNever knew a
Never knew a
Never knew a
Love like this beforeNever knew a
Never knew a

Never knew a
Love like this beforeI never knew there was a
Love like this before (Never had somebody)
Never had someone to show me a love
Love like this beforeI never knew there was a
Love like this before (I never knew but I'll find you)
Never had someone to show me a love
Love like this beforeI never knew there was a
Love like this before
Never had someone to show me a love
