

Leave My Girl Alone

Stevie Ray Vaughan and Double Trouble

You better leave
You better leave
My little girl alone You better leave
You better leave
My little girl alone Lord before I get evil man
And I go and do
Something wrong You call my house just yesterday
I picked up the extension
And I heard every word you said
Why dont you just go on man
And leave my little girl alone Lord before I get evil man
And I go and do
Something wrong You call my house
All hours of the night
Let me tell you mister
Thats a sure, sure way to start a fight
Why dont you just go on
Man and leave my little girl alone Lord before I get evil man
And Im gonna do
Something wrong
