I believe what I said
Why does everyone hear me wrong?
If I told you different, would it sound the same?
Would it make a difference in any way?
Ohhh boyI know I done wrong and I paid for it
But it's your turn to talk, for once I'm listening
Say that you don't want me,
Say that you don't need me,
Tell me I'm a fool.
Tell me you've been tortured
Tell me you've been beaten, for what I've done to you
Even if it doesn't matter, doesn't matter what's true
Say that you don't want me,
Say that you don't need me,
Tell me I'm the fool.Look at all this heart ache, what is there?
Forget of how it started, this it how it ends
Ohh boy
I know I done some wrong and I paid for it
But it's your turn to talk, for once I'm listening
Say that you don't want me,
Say that you don't need me,
Tell me I'm a fool.
Tell me you've been tortured
Tell me you've been beaten, for what I've done to you
Even if it doesn't matter, doesn't matter what's true
Say that you don't want me,
Say that you don't need me,
Tell me I'm the fool.Tell me that is over,
Tell me that you mean it,
This time it's true,
Tell me that I'm unknown to you.
Oh ohh ohh oh
Ohh ohh ohh boySay that you don't want me,
Say that you don't need me,
Tell me I'm a fool.
Tell me you've been tortured,
Tell me you've been beaten, for what I've done to you
Even if it doesn't matter, doesn't matter what's true.
Say that you don't want me,

Say that you don't need me,
Tell me I'm the fool.Tell me that it's over,
Tell me that you mean it,
This time it's true,
Oh won't you tell me that I'm unknown to...
