

The Ruler and the Killer

Kid Cudi

When I talk you should listen
All of you belong to me
Come on, we should get it going
Now what I want is specific
Respect what I have done for thee
The ruler and the killer baby

You donâ€™t talk, you donâ€™t say nothing, OK?
You donâ€™t talk, you donâ€™t say nothing, OK?
You donâ€™t talk, you donâ€™t say nothing, OK?
To the ruler and the killer baby
You donâ€™t talk, you donâ€™t say nothing, OK?
You donâ€™t talk, you donâ€™t say nothing, OK?
You donâ€™t talk, you donâ€™t say nothing, OK?
To the ruler and the killer baby

Listen to me
Keep your mind on the mission
Remember you belong to me
Come on, we should get it going
Now what I want is specific
You putting on a show for me
The ruler and the killer baby

You donâ€™t talk, you donâ€™t say nothing, OK?
You donâ€™t talk, you donâ€™t say nothing, OK?
You donâ€™t talk, you donâ€™t say nothing, OK?
To the ruler and the killer baby
You donâ€™t talk, you donâ€™t say nothing, OK?
You donâ€™t talk, you donâ€™t say nothing, OK?
You donâ€™t talk, you donâ€™t say nothing, OK?
To the ruler and the killer baby

Please pay attention
You know all you belong to me
Come on, we should get it going
Survival of the fittest, hey hey.
Lose and you will answer to me
The ruler and the killer baby

You donâ€™t talk, you donâ€™t say nothing, OK?

You donâ€™t talk, you donâ€™t say nothing, OK?

You donâ€™t talk, you donâ€™t say nothing, OK?

To the ruler and the killer baby

You donâ€™t talk, you donâ€™t say nothing, OK?

You donâ€™t talk, you donâ€™t say nothing, OK?

You donâ€™t talk, you donâ€™t say nothing, OK?

To the ruler and the killer baby
