

# Awake

## Abel Chungu Musuka

### Verse 1

You put fire inside my bones  
And you completely anointed me  
But if I don't renew my soul  
Then what does it profit me  
Oh

### Chorus

Where would I be without You  
By my side  
And how do I breathe without Your  
Breath of life \*2

### Refrain

Remember how powerful our God is  
You were made for a purpose  
Believer  
Remember how you will come  
To the nation preaching the love of Jesus  
Believer

### Refrain 2

Awake \*13

### Verse 2

You are my sunlight  
you make me shine bright  
and when the morning comes I will arise but through your might God  
Cause you are the air I breathe  
and you are the strength I need  
you wrote my destiny  
And in you I'll always be awake

### Chorus

### Refrain

Refrain 2

Bridge

You were made to shine

Like the shine

Shine like the sun
