

Sentimental

Gareth Gates

Girl, I don't believe them when they tell me
You don't love me
Sometimes you seem to
Think so little of me
Everybody tells me that they see
What's going on
So quick to criticize that what
We have is wrong
See you with another
And I don't know what to do
'Cos the problem is
That I love you
I get sentimental
Baby, please be gentle
Baby, please, put my mind at ease
I get sentimental
You make me unstable
But I like it
Never knowing where I stand
But I hide it
The games that you play and the things that you say
And I really need to know
You got me completely, I've fallen so deeply
So please don't let me go

I see you with another
And I don't know what to do
'Cos the problem is
That I love you, you know I love you
I get sentimental
Baby, please be gentle
Baby, please put my mind at ease
I get sentimental
The games that you play and the things that you say
And I really need to know
You got me completely, I've fallen so deeply
So please don't let me go
I get sentimental
Baby, please be gentle

Baby, please put my mind at ease
I get sentimental
I get sentimental
Baby, please be gentle
Baby, please put my mind at ease
I get sentimental
I get sentimental
Baby, please be gentle
Baby, please put my mind at ease
I get sentimental
