

Give Me A Try

Sizzla

Where do you go, don't you need my love, baby
Why can't you come on and let us play
When are you going to come my way? What sort of things they been telling you?
I've got to stop them from compelling you, girl
They just won't stop me from getting you Give me a try 'cause I
Know that things will be great
Free your mind don't deny
True love never dies it only creates I'm gonna take you right there
Love for a lifetime
I'm gonna make ya life so clear
Girl gonna make you mine I'm gonna take you right there
Love for a lifetime
I'm gonna make ya life so clear
Gonna make you mine Said no lies don't you cry no goodbye
Just won't work, stars in the sky
Look so nice look in ya eyes, girl
So much you worth I'm not stupid, I'm not a fool
Know what I'm doing I'm into school
Keep a firm grip on what you hold
More valuable than a pot of gold I'm gonna take you there
Love for a lifetime
I'm gonna make ya life so clear
Gonna make you mine girl I'm gonna take you there
Love for a lifetime
I'm gonna make ya life so clear Give me a try 'cause I
Know that things will be great
Free your mind don't deny
True love never dies it only creates Give me a try 'cause I
Know that things will be great
Free your mind don't deny
True love never dies it only creates Where do you go don't you need my love, baby
Why can't you come on and let us play
When are you going to come my way What sort of things they be telling you
I got to stop them from compelling you, girl
They just won't stop me from getting you
