

# Some of These Days

## The Baby Soda Jazz Band

Some of these days  
You're gonna miss me, baby  
Some of these days  
You're gonna feel you're so lonely  
You'll miss my huggin'  
You're gonna miss my kissin'  
You'll miss me, baby  
When I am far away  
You'll feel so lonely  
And want me only  
'Cause you'll know, baby  
You always had your way  
And if you leave me  
You know, it's gonna grill me  
You're gonna miss, your thin little daddy  
Some of these days  
I said some of these days  
You're gonna miss me, baby  
I'm talking about days  
You're gonna feel so lonely  
You're gonna miss my huggin'  
You're gonna miss my kissin'  
You'll miss me, baby  
When I'm long gone away  
You're gonna feel so lonely  
And beg for me only  
'Cause you know, baby  
I always gave you, your way  
And if you leave me  
You know, it's gonna grill me  
You'll miss, your thin little daddy  
Some of these days
