

Fading

Rihanna

You say you love me
But they feel like words to me
But this just ain't working
Stop thinking, you can run over me
Drifting, settling out to a former place
If I can't see what's in front of me
It's a mystery
Well, than apparently
Things just ain't the same
And I'm ready for change
Go on, be gone, bye, bye, so long
Can't you see that you're fading
Fading, fading, fading away, away, away, away
I opened up my eyes and I finally realized
Today, today, it's too late, you're fading away
Put a sock in it, just stop running your mouth
Got my mind made up
I ain't coming back again
No way, no way, no way, no way 'Cause I'm so fed up
Boy, you got me messed up
If we're hooking back up
Don't press your luck today, today
I'm blowing you away
Things just ain't the same
And I'm ready for change
Go on, be gone, ta, ta, so long
Can't you see that you're fading
Fading, fading, fading away, away, away, away
I opened up my eyes and I finally realized
Today, today, it's too late, you're fading away
So you turn into a ghost
Right in front of my eyes
Tell me what's a girl to do
When she's crying inside? I'm about to go insane
I'm jumping off this train
Whether wrong or right
I'll be gone by night
Can't you see that you're fading
Fading, fading, fading away, away, away, away
I opened up my eyes and I finally realized
Today, today, it's too late, you're fading away
