

# Heights

## Eyes Set to Kill

Look through my eyes  
i have arrived  
and now i am on the rise  
Watch the tables  
watch the tables as they turn  
this is a lesson  
i know you'll never learn  
i know you'll never learn  
so dont recall there's something running through my blood  
takes hold of me  
its taking me to heights you'll never see  
yeah i'm your wildest dream  
there's something disturbing your sleep  
well now you'll see  
nothings ever what it seems to be  
now im all that you bleed make no mistake  
forget my name  
you know you wish you could  
im a nightmare  
see me while you toss and turn  
i am the lesson  
i know you'll never learn  
i know you'll never learn  
now dont recall there's something running through my blood  
takes hold of me  
its taking me to heights you'll never see  
yeah i'm your wildest dream  
there's something disturbing your sleep  
well now you'll see  
nothings ever what it seems to be  
now im all that you bleed you better believe that you can see me now  
im on the top of the highest building  
and your still on the ground  
at any minute this could all collapse  
and i could come back down  
but i'm living in the moment  
i'll savor it for now i know you'll never learn  
so dont recall  
there's something running through my blood

takes hold of me  
    its taking me to heights you'll never see  
        yeah i'm your wildest dream  
        there's something disturbing your sleep  
            well now you'll see  
            nothings ever what it seems to be  
    now im all that you bleedThese are the heights i know you'll never see  
            these are the heights
