Marcus Garvey Time

The Gladiators

This is Marcus Garvey time, every words him said a come to pass
Man woman and babes, on top of the root fighting their brothers
But how long will this go on - it must got to stop -
No bad can ever over come goodTake love and make we mash down hate
So throw away your guns, throw away your guns
Every man want to survive so let live in love and peace - let's live in love and peace
Let Jah Jah go before us and make we mash down hate
Jah Jah go before us
It will be signs and wonders
Man will be running all around
So throw away, your guns
Throw away your guns
Every man want to survive so let live in love and peace -
let's live in love and peace
Let Jah Jah go before us - and make we mash down hate
Jah Jah go before us...
