Pictures (Acappella)

Sneaky Sound System

Light, of course,
Like a flicker in my left eye
Push, move,
Could be perfect if you walk byI've got lots of pictures in my head,
You'd better not turn off the projector ... ooohhh
And I've got lots of pictures in my head,
You'd better not save them all for later[Chorus]
Maybe I, oh get me on fire,
Could take your picture, oh you could get one too
And maybe I, oh get me on fire!
But keep me on, don't switch me off ... ooohhhYou can't fight,
Oh what we do what we
Can't do it solo,
But you've got what tickles for meI've got lots of pictures in my head,
You'd better not turn off the projector ... ooohhh
And I've got lots of pictures in my head,
You'd better not save them all for laterMaybe I, oh get me on fire,
Could take your picture, oh you could get one too
And maybe I, oh get me on fire,
But keep me on, don't switch me off ...Maybe I, oh get me on fire,
Could take your picture, oh you could get one too
And maybe I, oh get me on fire,
But keep me on, don't switch me off ...Keep me on, don't switch me off ...
Keep me on, don't switch me off ...
