

Outta Line

Krizz Kaliko

Wake you Okay
We be good girls
You be bad boys
So what ails you (Sh)
So what ail
(Sh, Listen)
Can I ring your bell?
If I call you to come over, would you come?
Do them things, I know you won't tell
Anybody, cause they think that you're a nun
Now I can be gentlemanly or I can be rude
We all know what you're used to
Now we can go to dinner or you can make food
Sixty Eight'll get me closer to your number Am I outta line?
Am I outta pocket?
If I told you it'd be good if I call you
And you don't mind
Or you'd have told me stop it
If I told you it'd be good if I call you (We be, we be on that good good
You be on that chang chang)
I'll bet you do
I'll bet you do
(We be, we be, we be good girls
We just want that, hey)
I'll bet you do
You know I do And I think I love the girl (love you)
And I think I love her mama (Mama freaky too)
She could get it, get it right now
In them polyester sheets (polyester sheets)
She could be from any land (ah-huh)
I like it when they speak that foreign (me gusta, baby)
'Cause when the lights go out and they all screamin' 'Kali Baby Am I outta line?
Am I outta pocket?
If I told you it'd be good if I call you
And you don't mind
Or you'd have told me stop it
If I told you it'd be good if I call you (We be, we be on that good good
You be on that tra-a-train
I'll bet you do

I'll bet you do
(We be, we be, we be good girls
We just want that, hey)
I'll bet you do
You know I doPeanut butter to the third power

Sixty Eight'll get me closer to your numberAm I outta line?
Am I outta pocket?
If I told you it'd be good if I call you
And you don't mind
Or you'd have told me stop it
If I told you it'd be good if I call you(We be, we be on that good good
You be on that tra-a-train
I'll bet you do
