

My God Is the Sun

Queens of the Stone Age

Far beyond the desert road
(where everything -ends up)
So good, the empty space. Mental race
Forgive, forgot Heal them - Bright fire from a gun
Kneeling - My God is the Sun
Heal them - with fire from above
Kneeling - My God is the Sun I don't know what time it was
(I don't wear a watch)
So good, to be an Ant, who crawls
Atop a spinning rock Heal them, Bright fire from a gun
Kneeling, My God is the Sun
Heal them, with fire from above
Kneeling, My God is the Sun See them kneeling? Godless Heathens
Godless Heathens always want from the sky...
