

# Love Me Like I'm Not Made of Stone

[Lykke Li](#)

There's a heart I cannot hide  
There's a beat I can't deny  
When it sings, when it lies  
When it cheats, when it bribes  
There's a war inside my core  
I hear it fight, I hear it roar  
Go ahead, go ahead  
Lay your head where it burns  
Even though it hurts  
Even though it scars  
Love me when it storms  
Love me when I fall  
Every time it breaks  
Every time its torn  
Love me like I'm not made of stone  
Love me like I'm not made of stone  
Devil's hand cross my heart  
As we dance through the dark  
Go ahead, go ahead  
Love me deep until you can't  
Even though it hurts  
Even though it scars  
Love me when it storms  
Love me when I fall  
Every time it breaks  
Every time its torn  
Love me like I'm not made of stone  
Love me like I'm not made of stone  
Love me all until it heals,  
Will you call, so I can hear you  
Even though it hurts, baby  
Scars  
Love me when I fall  
Breaks, baby  
Storm, baby  
Made of stones  
Love me like I'm not made of stones  
Love me like I'm not made of stones  
Love me like I'm not made of stones
