

Love Thornz

Mister Monster

I Know a Girl as Tough as Me
New Rocks Up to Her Knee
She Keeps Her Cigarettes in Her Thigh-Highs
When She Looks at Me With Those Kitten Eyes I Wanna Makeout With Her Down There
I Want Nothing But Wet Hair
Until That Morning Sun Burns my Eyes Love Thornz, Lemme be Your Drug
Love Thornz, Rip Out My Heart
Love Thornz, Lemme Be Your
Frankenstein Valentine I Wanna Take You For a Drive at Midnight
And Squeeze Your Loving Hips So Tight
I Wanna Take You Up to Devils Tower
And Up There I Will Devour Your Skin, Lips, Tongue, and Your Toes
Slow Dancing In Headlights
Listening to Oldies
on the Radio..... Love Thornz Will Make That French Kiss Hurt....
