Waiting For Your Love

Peter Frampton

I could feel your soul was hurting
I could see it in your eyes
And you tried so hard to fool me
But you don't live in paradise
And I, I'll try, I'll try to find the way to show you
I won't be there when you call, believe what I say
I'll give you my hand should you fall, please, don't turn away
If you find yourself out in the cold, I'll always be there
Waiting for your love, yes, I'll be waiting for your love
It's the time for starting over
Hard to leave so much behind
Put your faith in all you dreamed of
Yeah, 'cuz losing you would be such a crime
And I, you know I'll try, I gonna try to find the way to show you
I won't be there when you call, believe what I say
I'll give you my hand should you fall, please, please, don't turn away
If you find yourself out in the cold, I'll be there
Waiting for your love, yes, I'll be waiting for your love
Sometimes, it won't always be so easy
Hold on, together we can, can work it out
I won't be there when you call, believe what I say
I'll give you my hand should you fall, please, don't turn away
If you find yourself out in the cold, I'll be there
Waiting for your love, I'll be waiting for your love
I'll be waiting, I'll be waiting
I'll be waiting for your love
