

# Summer Time

## Sublime

Evil, I've come to tell you that she's evil  
    Undefinitely  
    Evil, ornery, scandalous and evil  
Definitely The tension is getting hotter  
    I'd like to hold her  
    Head underwater, oh  
[Incomprehensible] Oh, as the livin's easy  
    On the microphone with Ras-MG  
    In the dance it's agreed that we'll  
Well qualify to represent the LBC Microphone
