

# Won't Give In

## The Delmontes

You call me up, I'll say a few words

But I'll try not to speak too long

Please to be kind and I'll try to explain

I'll probably get it all wrongWhat does it mean when you promise someone?

That no matter how hard or whatever may comeIt means that I won't give in

    Won't give in, won't give in

    'Cause everyone I love is here

Play it once, disappearOnce in a while I return to the fold

    With people I call my own

    Even if time is just a flicker of light

And we all have to die aloneWhat does it mean when you belong to someone?

When you're born with a name, when you carry it onIt means that I won't give in

    Won't give in, won't give in

    'Cause everyone I love is here

All at once, and I'll show you how to get me thereCome on now, come on now, can you feel it, I can see it in ya

    Come on now, come on now, reveal it, turn around won't ya

The right time, the right place, right now, turn aroundA chance is made, a chance is lost

    I carry myself to the edge of the earthIt means that I won't give in

    Won't give in, won't give in

    'Cause everyone I love is here

    Say it once, just say it and disappear
