

Blackout

Milk Inc.

[Chorus]

Will there be someone to hold

when the lights go out

Will I be left in the cold

when the lights go ..

BlackoutI was once

the girl that meet your world

stand still

Don't you remember

In a corner of my mind

I keep the memory

of every little thing you said

you remember me[Chorus]You're the one

living underneath

my skin

Don't you remember

In a corner of my mind

I keep the memory

of every little thing you said

you remember me[Chorus]Ohohoh...Don't you know me

don't you recognize me

don't you

wonder why[Chorus]
