

# Frankenstein

## Clutch

How would you like to go bobbing  
For apples the shape of fish?  
Throw a coin into the well  
Close your eyes and make a wish?How would you like to dine  
A la Frankenstein?Downtown they're giving 'em away  
Downtown they're giving 'emHow would you like to dine  
A la Frankenstein?Downtown they're giving 'em away  
Downtown they're giving 'emOh, hey there Mama Nature  
Why do you keep on shooting us that look?  
No we did not take it  
And I swear we were only borrowing the bookHow would you like to dine  
A la Frankenstein?Downtown they're giving 'em away  
Downtown they're giving 'emHow would you like to dine  
A la Frankenstein?Downtown they're giving 'em away  
Downtown they're giving 'emSo who's been planting magic beans  
To catch themselves a golden hen?  
We've spent so many years going over this  
We can't start that all againHow would you like to dine  
A la Frankenstein?Downtown they're giving 'em away  
Downtown they're giving 'emHow would you like to dine  
A la Frankenstein?Downtown they're giving 'em away  
Downtown they're giving 'emHow would you like to dine  
A la Frankenstein?Downtown they're giving 'em away  
Downtown they're giving 'em
