Reflections

Leo Sayer

Through the hollow of all my tears, I see a dream that's lost
From the hurt, ooh, that you have caused
Through the mirror of my mind
Time after time, I see reflections of you and me
Reflections of the way life used to be
Reflections of the love you took from meI'm all alone now, no love to shield me
Back to the world of, that stops at reality
Oh, that happiness, ah, you took from me
And you left me with only memories
Through the mirror of my mind, through all these tears I'm cryin'
Reflects the hurt I can't control'Cause though you're gone, I keep holdin' on
Through the happy times when you were mine
As I peer through the window of lost time
Thinkin' over my yesterdays
All the love I had in vain, all the love I have wasted
All the tears I have tasted, oh, ohThrough the hollow of my tears, I see a dream that's lost
From the hurt, ooh, you have caused
Everywhere I turn, everything I see
Reflects the love that used to beIn you I put all of my faith and trust
And right before my eyes, my world has turned to dust
At drop of night, I sat alone and wept
Just a handful of promises, all that's left of lovin' you, oohYou got the reflection, you got the reflection
You got the reflection, the way I used to be
You got the reflection, ah, reflection
You got the reflection, ah, reflection
You got the reflection
