Walk on Water

Milk Inc.

There was a time where nothing would last
There was a time I held onto the pastI would walk on water just to be with you
Walk on water just to be with you
Split the ocean, cross the sea
Walk on water if you believeThere was a time I lost my faith
There was a time I could only hate
You were my shepherd, you were my guide
I followed your dark eyes right into the nightYou were my savior, you took control
You came and touched my soulI would walk on water just to be with you
Walk on water just to be with you
Split the ocean, cross the sea
Walk on water if you believeThere was a time I lost my faith
There was a time I could only hate
You were my shepherd, you were my guide
I followed your dark eyes right into the nightYou were my savior, you took control
You came and touched my soulBut why are you still overshadowed by a doubt?
Only you could see the love that carries meI would walk on water just to be with you
Walk on water just to be with you
Split the ocean, cross the sea
Walk on water if you believeI would walk on water just to be with you
Walk on water just to be with you
Split the ocean, cross the sea
Walk on water if you believe
